ABOUT US

Squadra Lupo Import is a company with a deep passion for exceptional and distinctive cars. Our main mission is to constantly search for the finest and most unique cars in the automotive world.

We are dedicated to PRESERVING HISTORY and the legacy of these vehicles. We serve as both a collector and a premium dealer of rare classic automobiles. Within Squadra Lupo, we take meticulous care of our unique car collection, paying special attention to their heritage while also harnessing their raw power. When you decide to purchase a car from our dealership, you're not just buying a vehicle; you're investing in a piece of automotive history.

Our cars are not just well-maintained; they are ready to go the extra mile, just as if they had just rolled off the dealership lot.

We make every effort to preserve the authentic scent, the tactile experience, and even the distinctive sound when you close the car door. What sets us apart from our competitors is our unwavering commitment to ensuring that every car we offer is a timeless masterpiece. While the 1980s and 1990s might seem like a distant era to some, we firmly believe that this period represented the Golden Age of automotive engineering and design. We take pride in delivering these unique treasures to our customers.

In essence, when you choose Squadra Lupo Import, you're not simply purchasing a car; you're acquiring an investment and a piece of automotive history that is truly one-of-a-kind.

JOIN US on our Preservation Journey.

We are dedicated to PRESERVING HISTORY and the Legacy of unique classic vehicles.

WHAT WE DO

02

Welcome to our *PRESERVATION JOURNEY*

Every car in our collection undergoes a meticulous inspection, starting from the fuel tank to every pump, hose, and shock. We ensure that the original radio and dashboard indicators work flawlessly. We source the same tire brands that were used in the era, maintaining the original essence of these classics.

Preservation ensures that these beautiful vehicles maintain their historical significance and cultural value. It's about cherishing the past while enjoying the ride into the future.

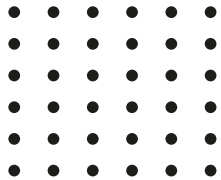

All our stunning preserved classics will be available on our website soon.

Hailing from Europe, this Peugeot 205 Rallye 1.3 is not just a car; it's a piece of automotive history.

INFO

Peugeot, a renowned French automaker, has a rich racing heritage, particularly in the world of rally. This model played a pivotal role in the brand's racing legacy during the 1980s. It was the era of Group B rallying, a category that redefined motorsport with its unrestricted and high-performance cars. The Peugeot 205 Rallye 1.3 was at the forefront of this revolution, showcasing the brand's commitment to pushing the boundaries of engineering excellence.

This meticulously preserved Rallye is a testament to Peugeot's dedication to performance and craftsmanship. It's not just a car; it's a time capsule. The interior is completely original, capturing the essence of the era down to the nostalgic scent that wafts from its seats.

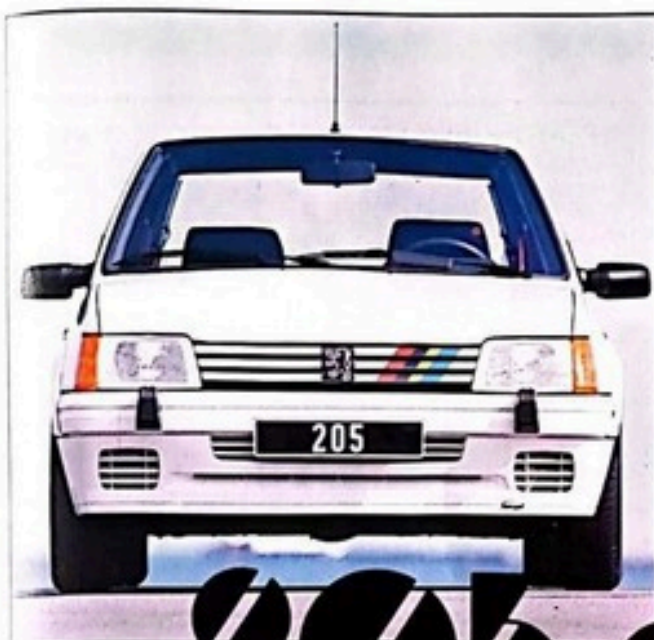

205 rallye

205 rallye

But it's not just about preserving history; this Peugeot 205 Rallye 1.3 is ready for the road. With everything in working order, it's prepared to embark on the next 100,000 kilometers of its journey. This is your opportunity to own a piece of European automotive heritage, a limited-edition masterpiece that encapsulates the spirit of the 1980s and Peugeot's commitment to performance and innovation.

The 1989 PEUGEOT 205 Rallye it's more than just a car;
it's an icon of a bygone era, waiting for you to continue its story.

205 rallye

"VERDENSMESTER" TIL SALG

Er du til centrallås, el-vinduer eller soltag, er den nye Peugeot 205 Rallye 1,9 ikke noget for dig. Er du derimod til køreoplevelser som ikke overgås, og ren, rå køreglæde som kalder smilet frem, så må du eje en 205 Rallye – konstrueret specielt til dig af Peugeot's berømte Rally team PTS. Peugeot 205 Rallye 1,9 er rippet for alt overflødigt – det giver lav vægt og lynhurtig acceleration. Til gengæld er mekanik og indretning i absolut Rally mesterklasse. Motoren er på hele 1,9 l med Multipoint injection. Den har 105 HK – mindst. Acceleration og topfart: JA!

Den sænkede undervogn og bremsesystemet er hentet fra 205 GTI – det fås ikke bedre. Indretningen er også ren Rally med GTI stole, rally rat, GTI instrumentering og kortlampe.

Peugeot 205 Rallye fås kun i hvid med PTS striber og skærmforøgere, og i cockpittet stole i sort med PTS logo, rødt tæppestof og – røde seler. Ingen anden bil byder på så megen køreoplevelse til prisen, som kun er:

Kr. 154.989,-
excl. levering.

Erfaringer fra flere verdensmesterskaber er indbygget i hver eneste detalje i Peugeot 205 Rallye 1,9, og det mærkes! Men skynd dig. Peugeot 205 Rallye 1,9 bygges kun i små serier – og ikke til hvem som helst.

Importer: K. W. Bruun & Co Import A/S
