ABOUT US

Squadra Lupo Import is a company with a deep passion for exceptional and distinctive cars. Our main mission is to constantly search for the finest and most unique cars in the automotive world.

We are dedicated to **PRESERVING HISTORY** and the legacy of these vehicles. We serve as both a collector and a premium dealer of rare classic automobiles. Within Squadra Lupo, we take meticulous care of our unique car collection, paying special attention to their heritage while also harnessing their raw power. When you decide to purchase a car from our dealership, you're not just buying a vehicle; you're investing in a piece of automotive history.

Our cars are not just well-maintained; they are ready to go the extra mile, just as if they had just rolled off the dealership lot. We make every effort to preserve the authentic scent, the tactile experience, and even the distinctive sound when you close the car door. What sets us apart from our competitors is our unwavering commitment to ensuring that every car we offer is a timeless masterpiece. While the 1980s and 1990s might seem like a distant era to some, we firmly believe that this period represented the Golden Age of automotive engineering and design. We take pride in delivering these unique treasures to our customers. In essence, when you choose Squadra Lupo Import, you're not simply purchasing a car; you're acquiring an investment and a piece of automotive history that is truly one-of-a-kind.

INFO

Introduced in 1989, the Johnny Cecotto Edition was created to celebrate Cecotto's contributions to BMW's motorsport success. Based on the M3 Evolution II, this special edition was produced in limited numbers, combining race-ready performance with luxury touches that set it apart from the standard E30 M3.

Limited Production

Only **505 units** were produced and **480** out of those were of the **Johnny Cecotto Edition**, making it one of the rarest special editions in BMW's E30 M3 lineup.

A portion of these cars were finished in the stunning **Macau Blue Metallic**, a color now synonymous with this edition.

Signature Plaque

As with all Johnny Cecotto Editions, this car comes with a special signature plaque on the center console, adding to its exclusivity. The plaque bears Cecotto's name, giving this car a personal connection to one of BMW's most successful racing drivers.

Meticulously Preserved by Squadra Lupo

*"Maintaining its originality and ensuring
that it remains highly drivable."*

This particular Johnny Cecotto Edition, finished in Macau Blue, has been meticulously preserved by Squadra Lupo Import, maintaining its originality and ensuring that it remains highly drivable. Despite its collectible status, the car is in excellent mechanical condition, making it an absolute joy on the road while retaining its period-correct features and finishes.

Motorsport Styling and Luxury Features

This special edition features a unique blend of race-inspired styling and luxury touches. The car includes **16-inch cross-spoke wheels**, a color-matched front bumper, and a **rear spoiler**, highlighting its motorsport DNA. Inside, you'll find **extended leather upholstery**, covering the seats, door cards, and center console, elevating the car's comfort without sacrificing performance.

Macau Blue Exclusivity

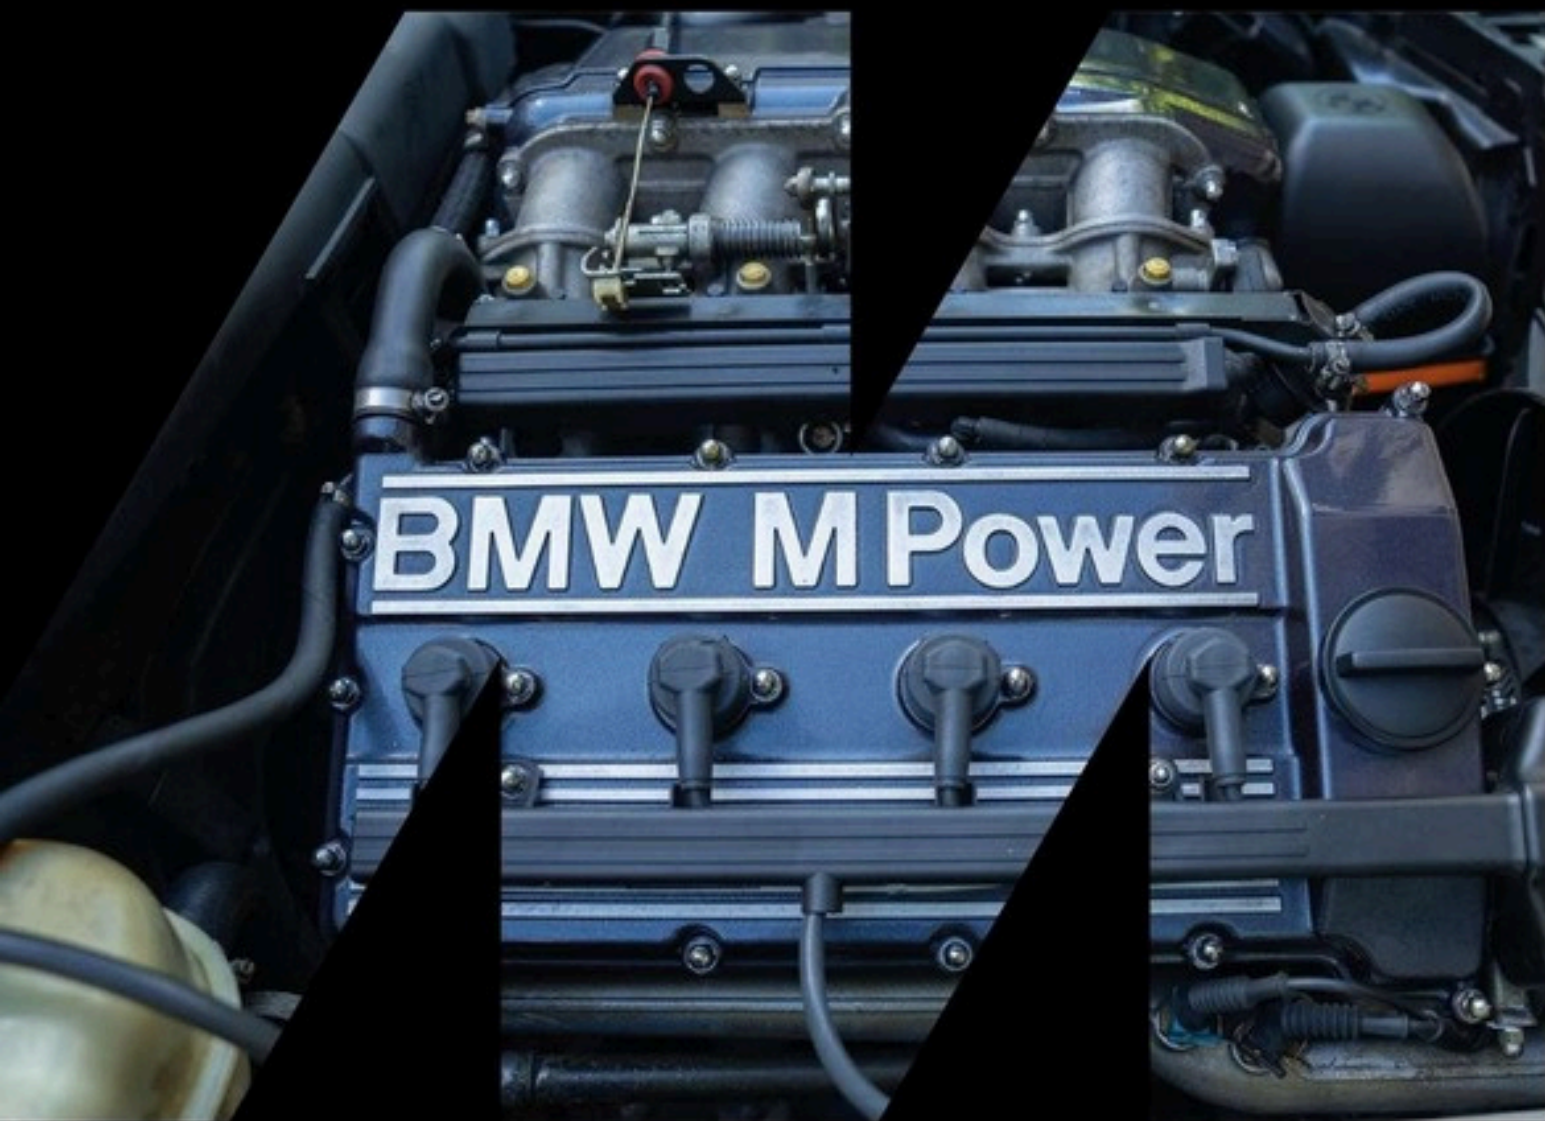

The Macau Blue Metallic paint, named after the iconic Macau Grand Prix Circuit, is one of the standout features of this edition. The deep, lustrous blue perfectly complements the M3's aggressive lines and is a key reason why collectors flock to this version.

Exclusive Engine Enhancements

Powered by the **2.3-liter S14 engine**, the Johnny Cecotto Edition produces **215 horsepower**, thanks to a finely-tuned engine management system. This performance upgrade, combined with the lightweight body of the E30, delivers an exhilarating driving experience that still holds up today.

Collector's Dream with High Drivability

Despite its status as a collectible, this car remains highly drivable and has been maintained in original condition by Squadra Lupu. The careful preservation of its components ensures that the car retains both its historical authenticity and its high-performance capabilities on the road.

Shared Heritage with the Roberto Ravaglia Edition of 25 units in the world:

Released alongside the Roberto Ravaglia Edition, this Cecotto Edition shares many of the same motorsport-inspired features but is distinct in its unique color choices and direct homage to Cecotto's racing career.
