ABOUT US

Squadra Lupo Import is a company with a deep passion for exceptional and distinctive cars. Our main mission is to constantly search for the finest and most unique cars in the automotive world.

We are dedicated to **PRESERVING HISTORY** and the legacy of these vehicles. We serve as both a collector and a premium dealer of rare classic automobiles. Within Squadra Lupo, we take meticulous care of our unique car collection, paying special attention to their heritage while also harnessing their raw power. When you decide to purchase a car from our dealership, you're not just buying a vehicle; you're investing in a piece of automotive history.

Our cars are not just well-maintained; they are ready to go the extra mile, just as if they had just rolled off the dealership lot. We make every effort to preserve the authentic scent, the tactile experience, and even the distinctive sound when you close the car door. What sets us apart from our competitors is our unwavering commitment to ensuring that every car we offer is a timeless masterpiece. While the 1980s and 1990s might seem like a distant era to some, we firmly believe that this period represented the Golden Age of automotive engineering and design. We take pride in delivering these unique treasures to our customers.

In essence, when you choose Squadra Lupo Import, you're not simply purchasing a car; you're acquiring an investment and a piece of automotive history that is truly one-of-a-kind.
